Dear Edward,

This correspondence is to officially advise you of the decision made by the Certificate Assembly Board of Governors (CABOG) regarding the site team's findings from the accreditation site visit conducted for the West Virginia Department of Education, Office of Adult Education & Workforce Development, Regional Education Service Agencies, February 14 – 16, 2013.

After reviewing the report and supporting documentation, the CABOG voted on April 19, 2013 to grant unconditional accreditation to the West Virginia Department of Education, Office of Adult Education & Workforce Development, Regional Education Service Agencies for the following:

Hazardous Materials Awareness, NFPA 472, 2008 Edition  
Hazardous Materials Operations, NFPA 472, 2008 Edition (including Chapters 5, 6.2, & 6.6)  
Fire Fighter I, NFPA 1001, 2008 Edition  
Fire Fighter II, NFPA 1001, 2008 Edition

We commend you on your endeavor to improve fire service certification and professionalism in your state, as well as for the time, work, and effort of you and your staff. If we can assist your organization in any way, please contact us.

Respectfully Yours,

Eldonna Creager  
IFSAC Program Manager
