## allowance allocation

### directions

Your teacher will tell you how much "money" you have to spend. You may be using beans or other objects to represent money. Now, you need to make spending decisions in all of these categories. Place one bean in each square next to the option you choose in each category. Your goal is to spend something in each category, making sure you have enough money to cover all categories.

### school lunches

take packed lunch from home

buy lunch at school

buy lunch at nearby fast-food restaurant

### video games

play with games you already have

purchase used video games

play video games at an arcade

buy new video games
