MESSAGE FROM THE COUNTY SUPERINTENDENT

The State Report Card provides a brief glimpse of the Monongalia County School system. The information about enrollment, test performance, budget expenditures, and personnel gives you an overall picture of our schools. The report card, however, does not provide you with information about the future goals of Monongalia County Schools. As Superintendent, I want to assure you that our goals are student-centered. We are constantly striving to provide the best possible education for every student in our schools. We want to maintain open lines of communication with parents and the general community that we serve.

If you have any questions about the information in this report card or any concerns about the educational needs of your child, please contact your school principal. If you have general questions about our school system, please contact the Division of Curriculum and Instruction at (304) 291-9210.
