

# WEST VIRGINIA REPORT CARDS 1997-1998

## MESSAGE FROM THE COUNTY SUPERINTENDENT

The Tucker County School District is committed to helping all students develop a positive attitude, make responsible choices, desire to learn and achieve the skills necessary for college or work. This report card provides evidence of the district's effectiveness in accomplishment of one of these goals: student achievement of basic skills and preparation for college. The report also shares data regarding district resources with which this goal is accomplished.

I invite parents, business persons, and citizens to become partners in the achievement of all the district's goals for students.
