

WEST VIRGINIA REPORT CARDS 1997-1998

MESSAGE FROM THE COUNTY SUPERINTENDENT

I'm pleased to report that the learning environment in the schools of Upshur County is positive. This is reflected by the morale and achievement of students. Administrators, teachers, and service personnel, with help from parents and the community, have utilized non-traditional as well as traditional ways of supporting the school system. This has lessened the impact of having no special levy with the resulting deficit in our budget. Cooperation has enabled us to provide the best possible services with the resources that are available.
