MESSAGE FROM THE COUNTY SUPERINTENDENT

Ohio County's mission is to develop young people to their maximum potential in social responsibility, employability in the workplace, and lifelong learning. There are many possible measures of the quality of an educational system, but the primary indicators of achievement are the employment and post-secondary schooling rates of the graduates. We are pleased to report that we have one of the highest post-secondary schooling rates in the state and that our graduates are finding successful employment.

Moreover, our many accomplishments in the areas of fine arts, such as band, strings, forensics, art, and drama, have brought recognition to our students not only locally but nationally.

We remain committed to our mission and pledge ourselves to its accomplishments.
