

WEST VIRGINIA REPORT CARDS 1998-1999

MESSAGE FROM THE COUNTY SUPERINTENDENT

The West Virginia Report Card provides you with important information about the Clay County School System and about your child's school; however, the most important information you receive about your school comes from conversations with your child and from personal contact with school personnel. I believe that the information provided here, combined with information you receive at parent-teacher conferences and from visits to your school, will give you a very positive message about the exciting progress our students, our schools and our school system are making.

Please feel free to call our office or your building principal if you have questions.
