

WEST VIRGINIA REPORT CARDS 1999-2000

MESSAGE FROM THE COUNTY SUPERINTENDENT

Randolph County Schools are very proud of the achievements the students and staffs have made in the past year. Improvements in curriculum, instruction, facilities, and technology have been made throughout the county. Our mission is to provide an opportunity for all students to achieve at a high level and become contributing members in a rapidly changing and complex technological society. We are developing many programs such as High Schools That Work, School-To-Work, Gear-up Programs for Middle School students and Making Middle Grades Matter. These are just a few of the programs currently being used to raise expectations for students. An SBA-funded project will enhance the opportunities for students in the Tygarts Valley area. The Basic Skills and WV SUCCESS computer programs continue to be very successful in helping with student achievement.

There is excellent information about the schools of Randolph County contained in the report card. I would suggest that all citizens read the report carefully and if you have any questions, please contact the school or the superintendent's office.
