

WEST VIRGINIA REPORT CARDS 1999-2000

MESSAGE FROM THE COUNTY SUPERINTENDENT

The mission of Summers County Schools is to involve the total community in developing all citizens to their fullest potential as active, self-directed, lifelong learners.

Our schools are currently involved in the School-To-Work transition system. We believe this program will help us achieve the goals of our mission.

We strive to make our schools a safe learning environment for all children and to raise the level of achievement of each and every student.

You, as parents, can help us by sending your child to school regularly and by taking an interest in your child's education. We welcome and encourage parents to become involved in the school volunteer program.

Please do not hesitate to call your child's teacher and/or principal with any concerns you might have about your child's education. By working together, we can make a positive difference in your child's future.
