## MESSAGE FROM THE COUNTY SUPERINTENDENT

Gilmer County Schools continue their journey into the 21st century with improvement in curriculum, instruction, facilities, and technology. High Schools That Work (HSTW) and School-to-Work (STW) initiatives are resulting in a fully-accredited school system which is responsive to student needs while raising expectations for all students.

Staff development efforts are being implemented to improve the knowledge and understanding that is needed in preparing our youth for tomorrow. Teachers are analyzing student strengths and weaknesses and are providing interventions in basic skills areas. Gilmer County will continue to provide an after-school program, a before-school program, and a summer program.

Through integration of WV SUCCESS, WVBS/CE, SLC-E-Rate, and local and competitive grant resources, the County has achieved modern technology infrastructure and telecommunications in all schools. Our 1:5 multi-media computer/student ratio will be maintained in every school. Grant monies will be utilized to upgrade the computer labs as necessary.

Our schools enjoy tremendous parental, business, and community support. I invite you to visit Gilmer County and witness public school education at its best.
