MESSAGE FROM THE COUNTY SUPERINTENDENT

The mission of Summers County Schools is to involve the total community in developing all citizens to their fullest potential as active, self-directed, lifelong learners. In order to help us fulfill this mission, our schools are involved in the Partnership Development that has evolved from the School-To-Work initiative. Through the partnerships that we have developed, we offer our students a variety of educational enrichment opportunities such as listening to speakers, participating in field trips, and being involved in work-based learning.

We strive to make our schools a safe learning environment for all of the children through implementation of responsible student programs, peer mediation, natural helps, advisor/advisee, and other student activities. Our belief is that our students will be better able to achieve when they feel safe.

To give all stakeholders an opportunity to participate in the education of children, our schools operate in an open atmosphere. Parental and community involvement is invited at all levels with volunteers being welcomed in our schools. Students, parents, staff, and the community are encouraged to participate in decision making through their Local School Improvement Councils and as members of our Partnership Development Committee.

Summers County takes pride in the successes we have had over the past years. We are striving to improve upon our present level of success and to continue to provide a high quality of education for all of our students.
