## MESSAGE FROM THE COUNTY SUPERINTENDENT

The Tucker County School System practices a "team approach" toward education. We believe that all children can learn as we look at both traditional and non-traditional modalities of instruction. The individualization of each student is celebrated as parents, teachers, administrators, and board members work together to provide educated, productive citizens.

We have recently constructed a high school auditorium and performed major school renovations with School Building Authority monies. The school system, which provides opportunities for all students, is fully approved, and each school in the county is fully accredited.

It is a pleasure to serve the students of Tucker County.
