FOUNDATION CRITERIA

The West Virginia Foreign Language Instructional Goals and Objectives are comprised of four goals: Communications, Cultures, Connections, and Technology. This curriculum is designed to meet the needs of all students engaged in the study of a second language, regardless of the language or the grade level at which they begin that study. Therefore, the instructional materials should provide learning activities appropriate for students of different ages, interests, and experiences.

Each reviewer will evaluate the publisher submitted Instructional Materials and Correlations using the following rating system.

- (I) In-Depth: Instructional Materials extensively address the specific criteria.**
- (A) Adequate: Instructional Materials sufficiently address the criteria.**
- (M) Minimal: Instructional Materials minimally address the specific criteria.**
- (N) Non-Existent: Instructional Materials do not address the specific criteria.**

Instructional Materials must receive 80% I's and A's, of all specific criteria, to be recommended for placement as a primary source on the Official Multiple List.

The level I course in modern foreign languages allows students to comprehend and produce simple, short sentences and ideas using memorized words and phrases in the target language. Topics of reading and conversation center around immediate concerns and interests. Comprehension is generally more developed than language production. Basic communicative tasks are facilitated by memorized patterns, resulting in fewer errors:

The Foreign Language program provides students with opportunities, information, and materials in order to:
