§126-32-1. General.

1.1. 1.1.a. The GED Tests mirror the core content and performance standards reflected at the national and state levels and demonstrate the attainment of developed abilities acquired through completion of a four-year high school program of study (Woodward, Katherine S., Alignment of National and State Standards, A Report by the GED Testing Service. American Council on Education, GED Testing Service, 1999).

1.2. Authority. -- West Virginia Constitution, Article XII, Section 2; W. Va. Code §§18-2-5 and 18-8-6.

1.3. Filing Date. -- August 12, 2010.

1.4. Effective Date. -- September 13, 2010.

1.5. Repeal of Former Rule. This legislative rule amends W. Va. 126CSR32, West Virginia Board of Education (WVBE) Policy 2444.4, Issuance of the State of West Virginia General Educational Development (GED®) Diploma Based Upon Passage of the GED Tests, filed March 13, 2008 and effective July 1, 2008.

§126-32-2. State of West Virginia GED Diploma.

2.1. The West Virginia Department of Education, hereinafter State Department, issues a State of West Virginia GED Diploma based upon satisfactory scores earned on the GED Tests. These tests are prepared by the General Educational Development Testing Service (GEDTS®) as an agent of the American Council on Education. The State of West Virginia GED Diploma is issued only by the State Department.

2.2. West Virginia is a GED Option State. GED testing sites are authorized to test a selected population of students sixteen (16), seventeen (17) and eighteen (18) years of age, enrolled in an accredited school and engaged in an appropriate GED Option program. The student may earn a State of West Virginia GED Diploma or a high school diploma, according to the completion level of the program.

§126-32-3. Applying for Testing.

3.1. First time applicants are required to complete the local GED Testing Orientation Seminar or the GED Option Orientation Seminar which includes, viewing of the calculator and alternate format video, calculator practice exercises, taking and passing the Official GED Practice Test (OPT) with the minimum score as determined by the State GED Office (WV OPT passing standard may exceed national minimum passing standard) and completing online registration at least five business days prior to testing.

3.2. A valid and current state-issued photo identification, i.e., driver's license, state alternative identification, military identification or a valid passport, with current name, birth date, and preferably a Social Security number will be required prior to and during all testing sessions. Failure to present applicable photo identification will result in a loss of testing privilege until such identification is presented. (See also Section 7.1.)

§126-32-4. Basis for Granting the State of West Virginia GED Diploma.

4.1. The State Department requires that applicants taking the GED Tests achieve a minimum passing score of 2250 or above on the battery of five subtests and a standard score of not lower than 410 on any one of the five subtests.

4.2. Prior to taking the GED Tests, individuals must provide written documentation from an Adult Basic Education (ABE) instructor or a GED Option instructor of taking and passing the OPT by achieving the minimum score as determined by the State GED Office (WV OPT passing standard may exceed national minimum passing standard).

4.3. The State Department requires that the initial battery testing be completed within six weeks, or no more than two consecutive complete test sessions (whichever is longer in duration). First time examinees are expected to take two or more subtests per testing session except as provided by the GEDTS accommodations policy. GED Option students do not have to complete the initial battery testing within six weeks and may take only one content test per testing session.

4.4. Individuals passing the GED Tests will receive a State of West Virginia GED Diploma. Students enrolled in the GED Option and passing the GED Tests may receive a State of West Virginia GED Diploma or a high school diploma according to the completion level of the program.
