(hereinafter McKinney-Vento Act).

1.3. Filing Date. - ~~August 14, 2009~~

1.4. Effective Date. - ~~September 14, 2009~~

1.5. Repeal of Former Rule. - This legislative rule amends W. Va. 126CSR81 West Virginia Board of Education (hereinafter WVBE) Policy 4110, Attendance, filed ~~April 11, 2008~~ August 14, 2009 and effective ~~May 12, 2008~~ September 14, 2009.

§126-81-2. Rationale.

2.1. The WVBE recognizes that a direct relationship exists between students' daily school attendance and academic performance, graduation, and good work habits. This attendance policy promotes students' daily school attendance. Each county shall be required to develop and implement a county attendance policy in accordance with this policy. Daily attendance is necessary for students to meet their schools' academic program standards as each day's learning builds on the work previously completed. While students and parents/guardians have the ultimate responsibility for daily school attendance, the laws of West Virginia require school administrators to enforce compulsory school attendance, and to provide an environment conducive to, and encouraging of, attendance.

§126-81-3. Policy Development.

3.1. Each county must provide for input from teachers, principals, attendance directors, parents/guardians, and community leaders when developing or revising the

126CSR81

attendance policy. Counties are to conduct an annual attendance evaluation to determine the effectiveness of the policy. County policies will be reviewed by on-site review teams to ensure compliance with this policy.

§126-81-4. Definitions.

4.1. Absence - Not being physically present in the school facility for any reason.

4.2. Allowable Deductions for Schools - Absences that result from school-approved curricular/co-curricular activities; failure of the bus to run/hazardous conditions; excused student absences; students not in attendance due to disciplinary measures; and absent students for whom the attendance director has pursued judicial remedies to compel attendance (filed a criminal complaint or juvenile petition) due to provisions in W. Va. Code §18-8-4.

4.3. Attendance - For statistical purposes, attendance will be reported and aggregated to the nearest half day according to the definitions in sections 4.3.1. and 4.3.2.

4.3.1. Full-day attendance means being present at least .74 of the school day.

4.3.2. Half-day attendance means being present at least .50 of the school day.

4.4. Attendance Rate - The number of days present divided by the number of days of membership, multiplied by one hundred, equals attendance rate for students on the attendance registers in grades K-12.

4.9. Enrollment Count - A status count that reports the number of students on the attendance register as required by the West Virginia Department of Education (hereinafter WVDE).

4.10. Excused Student Absences - Absences that result from school-approved curricular/co-curricular activities; failure of the bus to run/hazardous conditions, SAT Plan, IEP or 504 Plan and other county board approved excused absences.

4.10.1. "Documented chronic medical condition" means any physical or mental condition that may require multiple or regular absences. This condition must be documented annually with a valid physician's note that explains the condition and anticipated impact on attendance. The necessity for the absences must be approved and reviewed quarterly by the SAT, IEP or 504 team (See §5.3.3.d).
