

# take ACTION!

Addressing Asthma & Diabetes in West Virginia Schools

This interactive CD-ROM program is designed to teach school employees - administrators, counselors, support staff, bus drivers, coaches, teachers, custodians, dietary staff, and school nurses- how to best assist and manage asthma and diabetes in their schools.

Nursing and Counseling CEU's are available through the West Virginia Department of Education.

Now available for download from: <http://wvde.wv.us/takeaction/>
